Education

B.SC GEOGRAPHY | AUG 2023 – RUNNING | GOVERNMENT TITUMIR COLLEGE, DHAKA

August 2023 – running

I am currently pursuing a BSc degree in Geography and Environment at Government Titumir College affiliated with the University of Dhaka.

WEB DEVELOPMENT COURSE AT PROGRAMMING-HERO

July 2023 – February 2024

I have successfully completed a complete web development course where I've learned React, MongoDB, Express, Node, Tailwind CSS and various technologies. Here you can see the [Certificate](#).

Skills & Abilities

- HTML
- CSS
- JavaScript
- MongoDB
- React
- Tailwind CSS
- NodeJS
- ExpressJS

Experience

I'm learning to web development for around two years. During this time, I've learnt many topics and technologies from different sources. I did a professional MERN stack development course with [Programming-Hero](#) and successfully I've passed it. Here you can see this [Certificate](#). I've also worked with programming hero as End game member. It's like a shadow internship. Here I got [Recommendation letter](#).

Language Proficiency

- Comfortable in English
- Native in Bangla

Additional Skills

- Team collaboration
- Problem solving
